Other Notes

Team Rankings are as of August 1, 2017 and are subject to change as approved by NCSSA. On occasion the morning sun can limit a batter's ability to see on Field 4. Per NCSSA Rule 27 If determined to be the case by the umpire and agreed to by managers the pitcher will move up to 6 feet on either side of the pitching mound, as determined by the batter, to lessen the impact of the sun. Such a request must be on a full inning basis (likely 1st inning only).
